RE: Emergency Declaration Irvington Fire Department

Please be advised that the Township has been issued several violations from OSHA. The outcome of OSHA's examination points to a critical need to repair and outfit each mechanical garage door with safety mechanism. The violation imposed on the Township if these repairs are not completed will result in daily fines.

We engaged in trying to obtain quotes from several vendors but have been unsuccessful. Attached you will find a quote to make the garage doors OSHA compliant. I request that you sign below approving this emergency declaration:

Approved:

Tony Vauss, Mayor
