Subject: Bus Stop Change on Chancellor Avenue

Dear Mr. Holley:

Attached is a draft resolution to relocate the bus stop on Chancellor Avenue, eastbound, at Cordier Street to a mid-block at Woolsey Street that will serve the 39 route. Recent construction has changed the intersection characteristics at Chancellor Avenue and Cordier Street and the near side bus stop is all drop-curb and there is no place for passengers to stand. We would like to relocate the existing stop to keep a bus stop in the area for transfer to other routes at 'Valley Fair.'

I investigated a proposed location and found it warranted in accordance with standard traffic safety guidelines set by NJDOT and found it acceptable in the preparation of a bus stop resolution.

Under State Statute, the power to designate bus stops rests with the municipalities, not NJ TRANSIT. NJ TRANSIT does post signs at all sanctioned bus stops and works closely with the municipalities to provide safe and convenient stops.

Enclosed for your consideration is a draft bus stop resolution. When approved, please forward a copy to Essex County for concurrence by the Board of Chosen Freeholders. You may send your correspondence to:
