Dear Neighbors,

The Department of Public Works has adopted a new regular garbage and recycling schedule for 2015. We ask you to join us in our efforts to reduce the amount of materials going to the landfill or incinerator by recycling, thus reducing our carbon footprint and helping to meet the United Nations’ goals to reduce global warming and pollution. The Department of Public Works is committed to providing quality services to our residents. At the same time, it is important for all of us to remain accountable for how the community is cleaned.

Please call or visit the Department of Neighborhood Services for support and assistance at 1 Civic Square, Room 209, Irvington, New Jersey, Phone: (973) 399-6690 for the following information: Vacancies in Garbage, Soil, Rocks or Other Debris, Should Not Be Placed in this Brown Bag.

If you believe you have a sewer problem, you should call Suburban Disposal for missed pickups or call Irvington Desilting Authority at 150 Bergen Street, Newark, New Jersey 07103. Attention: Paul Bushy (973) 831-5400 or email: Anazir@irvingtonnj.org.

A FRIENDLY REMINDER

In order to continue cleaning our community, it is very important for everyone to follow the recycling and disposal rules as well as the rules for garbage pickup. By following these rules, we can keep our neighborhood clean and safe.

DO keep this calendar till December 31, 2015!

DO report all illegal dumping with the proper information (license plate numbers, video footage, photographs and address found in the garbage) to the Irvington Police Department. Illegal dumping is a crime. Police who engage in such crimes can only be identified and prosecuted with the information. If you DO NOT HAVE THE INFORMATION TO DO SO, PLEASE CALL THE DEPARTMENT OF PUBLIC WORKS AT 973-399-6690.
