Support Energy Efficiency in Our Community!

Dear Irvington Residents,

Irvington has launched a campaign to connect residents with energy-saving home upgrades. From apartments to single-family homes, there are programs available to help you reduce your energy use, save money, and make your home more comfortable. This effort is part of Irvington's ongoing commitment to promote sustainability in our community, as well as support the state's objective of lowering greenhouse gas emissions.

I strongly encourage you to begin the process!

As part of New Jersey's clean energy efforts, our local utility PSE&G is providing tailored energy efficiency options to homeowners or renters, regardless of income level. Depending on your eligibility, the program offerings range from a free energy efficiency assessment and up to \$7,500 in energy efficiency, health, and safety upgrades at no charge, to \$5,000 in rebates on energy-saving home improvements and convenient interest-free on-bill repayment options.

Visit Irvington's campaign website energyoutreachnj.com/irvington
for more information on these programs and to find the best option for you!

To learn more about how energy efficiency upgrades can improve the comfort of your home and help you save on your energy bills, please join us at our Halloween community event on October 31, 2023 at 3:00 PM to 6:00 PM in front of Police Headquarter, 1 Civic Square, Irvington N.J. 07111.

Together, we can make a difference!

Sincerely,

Mayor Tony Vauss
